ABOUT ME

MD,PhD candidate

Child and Adolescent Neuropsychiatrist specialized in Pediatric Neurology, with a multidisciplinary clinical and research background. Main clinical areas of interest include neurodevelopmental disorders, sleep medicine, and neuroimmunology. Research activities focus on rare and complex neurological conditions, with contributions to clinical studies, international consensus initiatives, and peer-reviewed scientific publications. Experienced in international academic collaborations, with training at leading institutions across Europe and the United States.

EDUCATION AND TRAINING

[2023 – Current] **PhD in Biomedical and Neuromotor Sciences**

University of Bologna

City: Bologna | **Country:** Italy

[2023 – 2025] **Advanced Professional Master Degree in Child Neurology**

Bambino Gesù Children's Hospital - Tor Vergata University

City: Rome | **Country:** Italy

[2018 – 2022] **Residency in Child and Adolescent Neuropsychiatry**

University of Padua

City: Padua | **Country:** Italy

[2011 – 2017] **Degree in Medicine and Surgery**

University of Padua

City: Padua | **Country:** Italy

LICENSES AND CERTIFICATIONS

[03/2018] **Medical License**

Provincial Order of Physicians and Dentists of Padua, Italy.

[11/2021] **ICH Good Clinical Practice E6 (R2)**

The Global Health Network

WORK EXPERIENCE

Boston Children's Hospital, Harvard University

City: Boston | **Country:** United States

[01/2026 – 06/2026] **Visiting Researcher**

Elective research and multidisciplinary clinical training in pediatric sleep disorders under the mentorship of Prof. Kiran Maski, with a focus on central disorders of

hypersomnolence. Clinical observership in Pediatric Neurology, including exposure to inpatient care and pediatric neuroimmunology.

Child Neuropsychiatry Unit - AULSS8 Berica, Vicenza, Italy

[02/2023 – 08/2025] **Specialist Physician**

Clinical activity in child and adolescent neuropsychiatry, including outpatient assessment and management of neuropsychiatric and neurodevelopmental disorders, as well as inpatient care for children and adolescents requiring hospitalization.

Within the *Quality of Life 7–21* project promoted by the Italian Ministry of Health, provided multidisciplinary care for children and adolescents with autism spectrum disorder and their families, with a focus on individualized care planning across developmental and transitional stages (7–21 years).

Mignot Lab, Stanford Center for Sleep Sciences and Medicine, Stanford University

City: Stanford | **Country:** United States

[06/2022 – 10/2022] **Visiting Scholar**

Elective research training in central disorders of hypersomnolence in adults and children, under the mentorship of Prof. Emmanuel Mignot, with a particular focus on the application of proteomic techniques to sleep research.

Center for Narcolepsy and Sleep Disorders, IRCCS, Institute of Neurological Sciences of Bologna

City: Bologna | **Country:** Italy

[11/2021 – 01/2022] **Visiting Clinical Trainee**

Elective clinical training in sleep medicine under the mentorship of Prof. Giuseppe Plazzi, with a focus on the evaluation and diagnostic work-up of adult and pediatric patients with central disorders of hypersomnolence and other sleep disorders.

ADDITIONAL PROFESSIONAL EXPERIENCE

[02/2025] **Humanitarian Physician**

CUAMM Doctors with Africa

Humanitarian medical mission at Tosamaganga Hospital, Tanzania, providing clinical consultancy in pediatric neurology and neurocritical care within the Pediatric Department, alongside participation in the INCLUSIVA project in collaboration with IRCCS Fondazione Stella Maris, Pisa, Italy.

Within the INCLUSIVA project, delivered theoretical and practical training to local healthcare professionals on disabilities and neurodevelopmental delays, with a focus on the early recognition of developmental warning signs, identification of children at risk, and timely referral to appropriate healthcare services. The training aimed to strengthen local healthcare capacity and improve the quality of neonatal and infant care in Iringa District Council.

[01/2022] **Sub-investigator in Study JZP110-405 - Jazz Pharmaceuticals**

Centre of expertise for Narcolepsy and Sleep Disorders, RCCS, Institute of Neurological Sciences of Bologna, Bologna, Italy

Title: Solriamfetol's Effect on Cognitive Health in Apnea Participants During a Randomized Placebo-controlled Study (SHARP): a 5-Week Double-blind, Placebo-controlled, Randomized, Crossover, Multicenter Study of Solriamfetol in Improving Cognitive Function in Participants with Excessive Daytime Sleepiness Associated With Obstructive Sleep Apnea Plus Impaired Cognitive Function.

Aim: evaluate the effect of Solriamfetol at improving cognitive function in participants with excessive daytime sleepiness (EDS) associated with obstructive sleep apnea (OSA).

Phase: 4.

[11/2021 – 01/2022] **Sub-investigator in Study JZP865-101 - Jazz Pharmaceuticals**

Centre of expertise for Narcolepsy and Sleep Disorders, IRCCS, Institute of Neurological Sciences of Bologna, Bologna, Italy

Title: An Open-label, Single Ascending Dose Study to Evaluate the Pharmacokinetics and Safety of Solriamfetol in Pediatric Subjects with Narcolepsy.

Aim: evaluate the effect and safety of single Solriamfetol dose in Pediatric Subjects with Narcolepsy.

Phase: 2a.

INVITED LECTURES AND TEACHING ACTIVITIES

[14/09/2026] **Neurological Needs in Children Receiving Pediatric Palliative Care**

Advanced Master's Program in Pain Management and Pediatric Palliative Care, Department of Women's and Children's Health, University of Padua

[11/03/2026] **Challenging Neurological Symptoms in Pediatric Palliative Care: Tips for Practice**

European Paediatric Neurology Society (EPNS) Educational Webinar

[24/06/2025] **Neurological Needs in Children Receiving Pediatric Palliative Care**

Advanced Master's Program in Pain Management and Pediatric Palliative Care, Department of Women's and Children's Health, University of Padua

[30/11/2024] **Autism and Early Diagnosis: Red Flags and New Opportunities for Intervention in Childhood and Adolescence**

Professional Training Course on The Complexity of Neurodiversity: Science, Inclusion, and the Future, Istituto Europeo Ricerca Odontoiatrica (IERO), Padua

[23/08/2024] **Sleep Problems in Paediatric Palliative Care: Insights from the First International Consensus**

Scientific contribution, Sleep Science Friday, European Sleep Research Society (ESRS)

[19/09/2023 – 12/10/2023] **Neurodevelopmental Disorders**

Advanced Theoretical Course on the Clinical Assessment and Management of Children Referred to the Child Neuropsychiatry Unit, AULSS6 Berica

ORAL AND POSTER PRESENTATIONS

[2024] **Neuro-irritability: The Great Unknown**

Oral presentation at the 6th Maruzza International Congress on Pediatric Palliative Care, 16-18/10/2024, Rome.

[2024] **Multifactorial Contributors to Immunomodulation: A Case of Pediatric LGI1 and CASPR2-related Morvan Syndrome Following Mercury Exposure**

Mercante A, Nosadini M, Pelizza MF, Sartori S

Poster presentation at the 32° AINI Congress, 6-9/05/2024, Cagliari.

[2024] **Presentation of the International Delphi Consensus on Sleep Problems in Pediatric Palliative Care. Let the Curtain Rise!**

Mercante A, Owens J, Bruni O, Nunes ML, Gringras P, Li S, Kreicbergs U, Wolfe J, Zernikow B, Lacerda A, Benini F; *on behalf of the SLEEP Group*

Poster presentation at the 8th IPSA Congress, 26-28/04/24, Glasgow.

[2022] **We Are Evolving with the Times: Reasoning on Therapeutic Approach in STRADA-related Disorders. Two Clinical Cases**

Mercante A, Rossaro MP, Ancora A, Bonardi C, Luisi C, Boniver C

Poster presentation at the 9th Eilat International Educational Course: Pharmacological Treatment of Epilepsy, 3-8/04/2022, Jerusalem.

[2021] **Onasemnogene Abeparvovec Palliative Care Experiences and Challenges in type 1 SMA: The Oldest Care for the Newest Drug?**

Mercante A, Perilongo G, Salamon E, Santini A, Benini F, Agosto C

Oral communication at the XXI AIM National Congress, 1-4/12/2021, digital edition.

[2019] **Focal Epilepsy with ESES in a Patient with Neurodevelopmental Disorder Associated with New Pathogenetic Mutation of the WAC Gene**

Mercante A, Leonardi E, Bellini MG, Aspromont MC, Nosadini M, Sartori S, Murgia A, Boniver C

Poster presentation at the 42nd LICE National Congress, 7-9/06/2019, Rome.
