

**Martina Marinello**  
Curriculum Vitae et Studiorum

**Personal Data**

**First Name:** Martina  
**Family Name:** Marinello  
**Birth:** August 14<sup>th</sup>, 1983, Padova, Italy  
**Citizenship:** Italian  
**Full address:** via Caporello 70, 35136 Padova, Italy  
**Email:** martina.marinello@gmail.com

**University Education**

**October 2009:** Biomechanical and Cellular Sciences Degree *summa cum laude*, University of Ferrara (Italy).

**Thesis:** Calcium and apoptosis: protein kinase Akt/PKB regulates death cell inhibiting Inositol 1,4,5-Trisphosphate Receptor (InsP<sub>3</sub>R) type III activity.

**Supervisor:** Prof. Paolo Pinton

**September 2007:** Bachelor in Molecular Biology, University of Padua (Italy).

**Thesis:** Test of Renal toxicity in vitro: the use of "Renal Cortical Slices"

**Supervisor:** Prof. Andrea Trevisan

**Other qualifications:** European Computer Driving License (ECDL), obtained in 2007.

**Research Experience**

**Period:** September 2008 – January 2009 and May 2009 – Present

**Institution:** University of Ferrara, Department of Experimental and Diagnostic Medicine, Section of General Pathology.

**References:** Prof. Paolo Pinton, Dr. Saverio Marchi

**Period:** January 2009 – April 2009 (4 months)

**Institution:** INSERM U807 Université Paris Descartes, France

**References :** Prof. Patrizia Paterlini-Brechot, Dr. Casper Caspersen

**Period:** July 2007 – September 2007 (3 months)

**Institution:** University of Padova, Department of Environmental Medicine and Public Health

**References:** Prof. Andrea Trevisan

**Technical Skills**

Cell culture, Molecular Biology Techniques, Imaging, Comete Assay, Isolation of mitochondria from animal tissue and cell.
